#100BY100 CHALLENGE

## JOIN THE #100BY100 CHALLENGE

This year marks 100 years since Nelson Mandela's birth. We invite you, our partners and supporters, to join us on our mission to reignite the appetite for reading in children this Mandela Day in the #100by100 Challenge.

This year, we will be reviving reading rooms and spaces at partner schools in Cape Town and Johannesburg, as well as collecting items for Resource Boxes that will be gifted to under-resourced schools.

## WAYS TO GET INVOLVED

There are two ways you can get involved in the #100by100 Challenge and make a BIG difference in the lives of children that struggle to read!

### 1. REVAMP A LIBRARY/READING SPACE

Join us in creating an exciting and engaging reading space in an under-resourced school. Having a dedicated space for reading that is inviting for learners goes a long way in encouraging reading. Gather your colleagues, friends or family members, or come solo, and make a big difference!

### 2. RUN A COLLECTION DRIVE

We need a range of items to help create engaging reading spaces at under-resourced schools, as well as items for our Resources Boxes which we will be gifting to carefully selected schools to help expand their literacy reach.

## ABOUT HELP2READ

help2read is a non-profit on a mission to erase illiteracy in South Africa. Our work seeks to address systemic risks that are founded on low levels of literacy in South Africa's school going children.

Over the last 12 years, we've worked in over 225 schools and helped 17,500 children access literacy support to learn to read or improve their reading for meaning skills.

Our literacy intervention programmes are run at public primary schools in the Western Cape and Gauteng, and provide children who struggle to read with one-on-one attention from a Volunteer Reading Helper or community Literacy Tutor.

Through consistent literacy input, reading help and fun activities, the children that participate in our programmes not only learn to read, they fall in love with it.
